ARTICLE 3

CONTRACT TIME

- 3.01 The Contractor shall complete all of the Work under the Contract within 315 calendar days from the date stated in the Notice to Proceed.

ARTICLE 4

LIQUIDATED DAMAGES

Owner and Contractor recognize that the Owner will suffer direct financial loss if Work is not completed within the Contract Time specified plus any extensions thereof allowed in accordance with these General Conditions of this Contract, and therefore, time is of the essence. They also recognize the delays, expense and difficulties involved in proving in a legal proceeding the actual loss suffered by Owner if the Work is not completed on time. Accordingly, instead of requiring any such proof, Contractor and Surety agree to forfeit and pay Owner five hundred dollars \$500.00 per day as Liquidated Damages for delay (but not as a penalty). Such Liquidated Damages will be assessed for each calendar day that expires after the Contract Time. This amount represents a reasonable estimate of Owner's expenses for extended delays and the costs associated therein. This provision shall be effective between the parties ipso facto and without demand or putting in default, it being specifically agreed that the Contractor by his mere failure to complete the work on or before the date specified shall be deemed in default.

ARTICLE 5

CONTRACT PRICE

- 5.01 The amount to be paid to the Contractor by the Owner for completion of all work Owner will pay and the Contractor will accept in full consideration for the completion of all Work is:

Progress payments will be based upon estimated quantities of contract unit price items or upon estimated percentages of completion of the schedule of lump sum values of labor and materials incorporated into the Work or suitably stored, on the last day of each month or other mutually agreed regular monthly date ending the progress payment period, less retainage.
- 6.03 Application for Payment Form. The form of the Application for Payment must be suitable to the Owner. The Owner reserves the right to withhold payment until the form of Application for Payment is deemed acceptable by the Owner.
- 6.04 Retainage. Per Paragraph 15.01.D retainage shall be withheld and payments will be made by the Owner in the payment amount of:
- a) Ninety percent (90%) of the approved payment applications for projects with contract of less than \$500,000.00; or
 - b) Ninety-five percent (95%) of the approved payment applications for projects with contract prices of \$500,000.01 or greater.
- 6.05 The normal retainage shall not be due the Contractor until after Substantial Completion and expiration of the forty-five (45) day lien period and submission to the Engineer of a clear lien certificate and invoice for retainage.
- 6.06 Final Payment. Upon the final completion of all Work, the Contractor may request a final inspection and may make a final Application for Payment as provided by Paragraph 15.06 of the General Conditions.
- 6.07 Final Acceptance. When Final Acceptance is granted by the Owner, the Owner shall file the certificate with the Recorder of Mortgages for St. Charles Parish.
- 6.08 At the expiration of the lien period the Contractor shall obtain a certificate from the Recorder of Mortgages of the Parish of St. Charles that the Contract is clear of any liens or privileges, and said certificate shall be presented to the Owner for final payment and release of retainage, less any such sums as may be lawfully withheld under the Contract.

- 6.09 Claims. Pursuant to La. R.S. 38:2242, when the Owner receives any claim of nonpayment arising out of the Contract, the Owner shall deduct such claim from the Contract Sum. The Contractor, or any interested party, may deposit security, in accordance with La. R.S. 38:2242.2, guaranteeing payment of the claim with the Recorder of Mortgages for St. Charles Parish. When the Owner receives original proof of such guarantee from the Recorder of Mortgages, the claim deduction will be added back to the Contract Sum.
