What does our department do

ALL THINGS ANIMAL

Control
Sheltering
Caring, Feeding, Medical Care
Adopting
Community Outreach
Disaster Preparedness

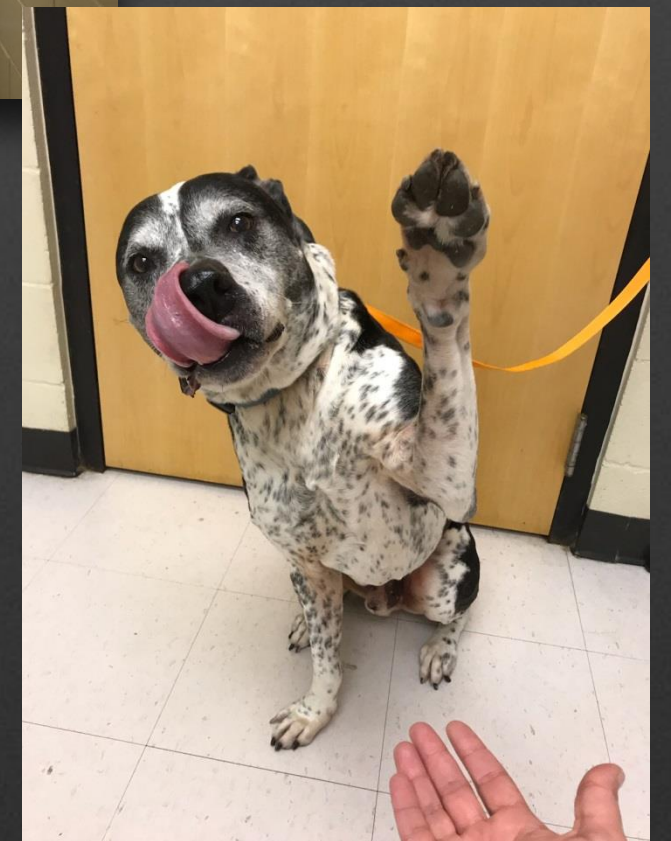

Animal Control-when to call

- Public health & safety
- A domestic animal is causing concern-not on leash/fence, human bites/scratches, loud, dog on dog attacks (1799 animals)
- Sick wildlife that is a rabies vector: racoon, coyote, bat
- Animal health questions
- Business hours: 985-783-5010
M,W,R,F 8:30-4:00; T 8:30-5:00
- After hours: emergency operations center 985-783-5050

Animal Sheltering

- From source to adoption (512 dogs, 672 cats)
- Sources: stray (5 business days), owner surrender, born in care, seizures
- Thorough to prevent animal & zoonotic disease: vaccination on intake if no immediate owner contact (microchip!)
- Puppies & nice felines: deworm, deflea, heart worm prevention
- Data: shelteranimalscount.org-Live release rate 95.7% cats, 95.4% dogs (minus HW+ bull types=99.9%).
- Department of Agriculture standard passed.

Reunite your lost pet

**Collars fall off,
faces don't.**

What happens before adoption

Vaccines, deworm, deflea, heart worm prevention, veterinary exam, behavior testing, heart worm & leukemia/FIV testing, spay/neuter (1,468), microchip

Vaccines, deworm, deflea, heart worm prevention, veterinary exam, behavior testing, heart worm & leukemia/FIV testing, spay/neuter (1,468), microchip

When they need more

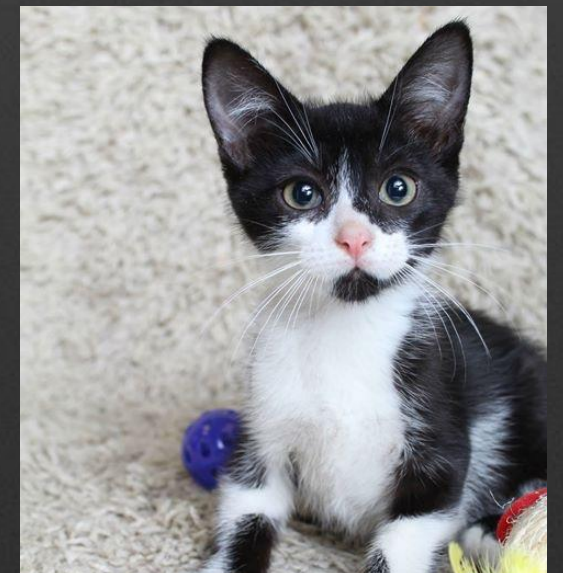

- St Charles Humane Society filters community donations back to the animals
- When we need specialized care
- They buy rabies, microchips, testing supplies, medicine and surgical supplies

Adoption \$80 to SCHS

Adopt

Progress

- Feral cat program-spay/neuter, microchip, rabies, ear notch (236)-sponsored by SCHS
- Took in 257 less animal in 2018 (188 less cats, 69 less dogs)
- Education, see something say something, humane law enforcement
- Nuisance 4-5 still applies for complaints
- LASPCA-low cost options
